Dear Parents, Guardians and Students:

RE: End-of-School Year Rites

As we are nearing the end of our school year and with the recent announcement from the DepEd allowing physical End-of-School Year (EOSY) rites, we, the Philippine Pasay Chung Hua Academy is eagerly anticipating the implementing guidelines from DepEd so that we can adequately prepare for holding a limited face-to-face graduation ceremony. We are very excited that we will finally be able to meet our graduates in person and to have a meaningful send off for them.

Once we have more concrete information available, we will communicate them to you.

Thank you for your patience and continued support.
